GENDER PAY GAP REPORT 2021

As an employer of more than 250 people, NWES Group is required by law to report on our Gender Pay Gap and make this information publicly available on our own website as well as to submit our findings to the Government.

These statistics are presented as at 5 April 2020.

The gender pay gap measures the difference between men's and women's average earnings based on an hourly rate and is expressed as a percentage of men's pay. According to the Office of National Statistics, the overall national average gender pay gap for the UK at April 2020 was 7.4%.
